TEAM SPONSORSHIP FORM

## NYS Ice Pro-Am Tournament Series

We would like to invite and encourage you to sponsor the following Team/Angler for the NYS Ice Pro-Am Tournament Series:

---

Through generous contributors like you, these events will become more successful as more anglers compete, which in turn brings more economic support to the local communities where these events are taking place.

With your sponsorship, we will register the team for the event(s) of their choice, and place your business/entity logo on our website and awards display banners as a local sponsor. Simply follow the steps on the next page to sponsor and register the team/angler.

Should you wish to sponsor multiple teams or the Tournament Series, we could then look at that contribution as a tournament sponsorship with greater exposure and advertising potential across our whole platform – please email a request for our Tournament Sponsor Packet for more details.

Any questions/concerns can be directed to the Directors of the Series at:  
[info@fkssportfishing.com](mailto:info@fkssportfishing.com)

More information about the series can be found on the tournament website:  
[www.NYSiceproam.com](http://www.NYSiceproam.com)

Thank you and we look forward to seeing your team(s)/angler(s) at our events!
